

MATHS 24

PURPOSE

- Practice logical thinking.
- Practice addition, subtraction, multiplication and division

MATERIALS

- Maths 24 Cards - print or draw them
- Scrap paper
- Pen/pencil

HOW TO PLAY

1. Learners take a Maths 24 card.
2. They need to use the four numbers on the card to make 24.
3. They must use all four numbers on the card and they can only use them once each.
4. They can use any of the operations (+; - ; ×; ÷).
